Dear Parent/Carer

Christmas “Make a memory” day

A reminder that tomorrow pupils can come into school in a Christmas themed outfit / Christmas jumper. We will be taking a picture so that each child can make something Christmassy to take home with them at the end of the term.

End of lockdown – not out of the woods yet!

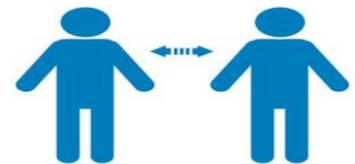

As parents know, Lockdown has come to an end. Sadly our area is in Tier 3. We have just over two weeks until the Christmas break, and we know that for many families they are thinking about the period over Christmas when they are able to see their family, and like us are getting most excited! We want to get everyone there safely, without families being unable to see each other due to isolation.

Please remember to keep up your vigilance in the last couple of weeks. You can do this by:

- Wearing a mask on school premises.
- If you are exempt from mask wearing, please remember that doesn't mean you can't spread the virus to others so be extra careful on school premises with close contact.
- Be alert to symptoms; remember to **isolate your household** and arrange a test for those showing symptoms.
- Keep in contact with school and let us know about any changes.
- Don't organise sleepovers or get together for pupils etc that break the tier restrictions.

PLEASE
Wear A Face Mask
And
Keep Your Distance

All the community has done so well, just a couple more weeks to get to the Christmas break. Let's keep going!

Safeguarding and child protection – termly information for parents

As part of safeguarding and child protection, each school produces a child-appropriate safeguarding and child protection policy. This is available on our website here:

<https://southhiendley.wakefield.sch.uk/safeguarding>

Each class has a copy of this, and we talk to the pupils about this in our assembly programme.

Have a lovely weekend!
