Dear Parent/Carer

Households – remember to isolate

This is a polite reminder that everyone must ensure that if you or any member of your household has symptoms, your household must isolate and that person must get a test.

School will send home any children from households where there are symptoms. School will follow up with families if there are any concerns that this is not being undertaken. We know parents will understand that school is doing what it must do if you receive a call about this. We are doing our best to keep you all as safe as possible.

Remembrance

This week, pupils and staff shared a two-minute silence as part of their remembrance work in school. They have also completed some beautiful artwork which is on display in the communal areas. Thank you to all the pupils for their respectful and serious approach to this topic.

You can see some of their work on our facebook page:

Home school agreement

Please find attached the home school agreement from the school. This is in line with the previous ones issued over the past two years. This year we will not ask for signatures in order to reduce the amount of paperwork coming into school. You can view it on our website here:

Facebook

We have a Facebook page as a means to share information with parents. This is a positive way for us to let you see what is going on in school, especially at the moment when parents are not able to visit us.

If you need to raise an issue with school please do contact us on sh-enquiries@ipmat.co.uk

Lunchtime and after school clubs

School does not offer after school clubs; this will be reviewed as the pandemic situation develops. Staff do not offer clubs at lunchtime, as this is their break time.

Children in Need and Odd Sock Day – Friday 13th November 2020

Tomorrow children can come in non-uniform and wear odd socks. Please bring in a donation to the charity to help us raise funds for these worthy charities. We are unable to give out change, and donation size is whatever you feel is appropriate.
