## Newsletter 23.4.21

### Weekly news:

Welcome to our new newsletter. We hope you find this format easier to read. This week we have been pleased to re offer some of the after-school sporting clubs. The children have loved attending these. We have re offered clubs to Year 5 and 6 to indicate what sporting focus they would like. If parents and carers of children in these classes could return the form by Monday 26<sup>th</sup> April we would be most grateful. If numbers are still low, we will be unable to offer these clubs due to staffing expenses.

Parent Consultations will also be running next week. You should be allocated a time by the end of today. If you have not received a time please contact the school office. We are still waiting for some parents/carers to make appointments.

We are also launching Class Dojo as a positive behaviour strategy, as well as a communication link between school and home. Building positive relationships with you as parents and carer is extremely important to us as a school.

Please can all parents and carers think carefully before booking holidays in term time. There has already been too much lost learning for our children. We understand and sympathise but we will not be able to approve holidays, and you may be subjected to a fine.

### Word of the week

**'Ready'**

This week we will be focusing on how quickly children are ready to learn!

The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice.
