Water Safety

As the temperature soars, many will be tempted to cool off in open water. However, it is important to be aware of the dangers. Tragically we have had young people die by drowning in open water our area. So it is important that all children are reminded of the dangers. Please see resources below, that you may also want to have a look at;

Goodbye and Good luck

As this is our final newsletter of the term we had to find room to say a special message to our Year 6 class: the 2021 leavers. We would like to thank:

1. All the staff who have guided them over their time at South Hiendley, in particular Miss Sagar and Miss Frith who have taught them over these last two difficult pandemic years.
2. Their parents who have supported the school and watched their children grow into fine young people.
3. The children themselves who always manage to make us smile and make us realise that we need to value each day, as time passes so quickly. Their leaving celebration assembly will be put on Class Dojo by the end of term. We are very proud of them all and wish them lots of luck as they move into KS3.

Reminders and Up and Coming Events:

28.7.21 MHWB/RSE Day

A letter has been sent out via Class Dojo/Email with details of what the children will be doing during the day. It will be a non-uniform day but we would like the children in Years 1 to 6 to wear at least one item of clothing that is the colour of their House Team.

McGonegall – purple

Snape – black

Lupin – red

Dumbledore – blue

WF Happy Healthy Holidays

If your child is eligible for income related free school meals, you can book them a place on the Happy Healthy Holidays programme during the summer holidays. There are lots of activities on offer, including dance, pottery, climbing wall, football, rugby, family picnic days, cricket, archery, arts and crafts, cooking and much more! For more information, you can visit the website below <https://www.wakefield.gov.uk/schools-and-children/happy-healthy-holidays> or have a look at the flyers on Class Dojo.

LOVE EXPLORING™

We have recently signed up to the Wakefield Explorers (Love Exploring) school competition which encourages parents and carers to download an app to use over the summer and get out and about to explore what the Wakefield District has to offer. Details on how to download the app are now on Class Dojo.

Summer Reading Challenge: Wild World Heroes

The Summer Reading Challenge will again be running over the summer holidays. Children must sign up at their local library and here they will receive a Wild World Heroes collector folder. Children have the challenge of reading at least 6 library books of their own choice. They will collect stickers and then if they complete the challenge they will receive a certificate and medal.
