## Weekly news:

It's been a lovely sunny week which has brought lots of happy children. It has been nice to see lots of outdoor activity. Year 5 enjoyed their first swimming session last week and were happy to be taking part in offsite activities after such a long time.

School have just signed up for the new 'Its Good to Grow' voucher reward scheme. Any vouchers collected can be handed into school and can be used towards equipment for the school garden.

We are also signed up for two recycling schemes through TerraCycle UK. We currently collect empty plastic bread bags and old toothbrushes, empty toothpaste tubes and the packaging as part of the Hovis and Colgate programmes. These can be any brand. They are used to make recycled items such as lunchboxes, garden furniture and more. There is a collection box in reception.
