**'DREAM, BELIEVE, ACHIEVE'**

**POLITE PROUD POSITIVE PERSISTENT**

## Weekly news:

As we celebrate Remembrance this week we are happy that the Poppy sales have been a real success, it is great to see everyone supporting such a good cause. We also marked Remembrance day in the playground by creating a human Poppy. The children were dressed in red and the staff were dressed in green or black. A giant poppy outline was chalked onto the playground. Pictures were taken of the ariel view by a drone and as you can see it looked amazing

Next week will be Anti-bullying week. To mark this we are asking children to wear odd socks for 'Odd Sock Day' on Monday 15<sup>th</sup> November. Lets see who can wear the most colourful and craziest odd socks.

Can we again remind Parents/Carers that parking along the school drive is not permitted. Not only is this not safe as there are lots of families coming and going but it also limits the access for staff and permitted visitors accessing the carpark safely. Our school leadership team, Mrs Henshall, Mrs Reed, Miss Frith, Mrs Webber and Mr Pearson continue to develop the teaching and learning and make sure everyone contributes to the schools values and ethos.

Miss Barraclough is our Learning Mentor offering well-being support to parents/carers and children. Support includes worries about your child's behaviour and parenting difficulties. Bereavement, parent separation and any issues in school.

If you have any issues you wish to discuss with Miss Barraclough contact school to make an appointment.

On the 1<sup>st</sup> December please come dressed in something christmassy. School will be decorated so that we can all get in the festive spirit.
