## Weekly news:

There are still some places available on the afterschool clubs. If your child is interested, please contact the school office to see what is available.

Another reminder that on Friday 30<sup>th</sup> September at 2pm we will be holding a Macmillan Coffee morning in the multi-purpose room. If anyone would like to donate any buns or cakes they will be much appreciated. These can be brought into the school office. Please come and join us for cake and a chat.

We are asking for recipes that are budget friendly and easy to prepare to be able to share with our families. Ideas for other ways of saving money will also be welcomed. We are all concerned for the impact that the current energy crisis and other rising costs will have on our families and surrounding community. We also have the Uniform Swap available in school so please do not struggle if your child has anything that they need regarding uniform. If we can help at all, we will try our best. Have you checked out the 'Too Good To Go' app. Hope you are able to take advantage of the great offers available.

Olio is a sharing app which is a platform to share unwanted items, such as food or household items. You can connect with neighbours and other people in the area. This is great if you have food items that you know will not be used before they get to their use by.

Household items that you no longer need might be something that someone else needs. Don't throw away if it could be reused.

## Budget recipe of the week – Cheesy Bean Pie

**This recipe can be adjusted to the required portions so please calculate the amount.**

Peel, chop and boil potatoes in a pan of salty water.

In another pan pour 2 tins (or more if needed) of baked beans, season with salt and pepper and a handful of grated cheese. Mix and stir until hot.

Place heated beans in a baking dish, mash the potatoes as desired and layer on top of the beans. Sprinkle more grated cheese on the top and bake off in the oven until golden brown. Very cheap and popular with the kids!
