One to one support offered on an afternoon within reading time in KS1 & KS2

Intervention programmes

RWI fresh start resources to support vulnerable readers throughout KS2

Catch up funding has also supported the school tutoring programme

Time with Learning mentor if and when needed

The school's Covid-19 Catch-up strategy is targeted at the most disadvantage children within the school, either those in receipt of the Pupil Premium fund, those that have / had a social worker attached to their family or those who we know have struggled disproportionately to their peers.

The Education Endowment Foundation has provided research based strategies on how best to support vulnerable pupils. This guidance has been the starting point for our catch-up strategy.
