

Weekly news:

On Monday we will have reached the final week of this academic year. We have had a great year, receiving a good in our Ofsted report and achieving some fantastic SAT's results, which were the top results within our trust. We are all super proud of the children and staff. Well done!

Let's keep up the amazing work in the 2023/2024 academic year. We are having a big push on uniform and attendance. All children are expected to be wearing full uniform and in the correct PE kit on the PE days (not non-uniform or branded sports cloths), black shoes or trainers. In regards to attendance can we ask that unless your child is clearly too unwell to come in to school, could you try them with pain relief and see how they get on. We encourage that holidays not be taken in term time where possible as they will not be authorised unless in exceptional circumstances. Appointments to see the head teacher are now advised to discuss any holiday requests. Any period of 10 unauthorised sessions (5 full school days) will be subject to a fine. Please ensure that you are calling the school office as unexplained absence will also be marked as unauthorised.

The forecast for Monday is not looking good, with an outlook of heavy rain. We are putting a reserve date in place for Nursery and reception sports day of Tuesday 25th July at 11am. Let's keep our fingers crossed that the rain stays away, please keep checking DOJO for the final decision.

You are welcome to bring chairs and blankets to sit on as chairs will not be provided.
